General Safety Warnings

1. **Read Before Use:** Please read and understand all safety instructions before using the AK Diffuser.
2. **Intended Use Only:** This product is designed for use as a photography diffuser. It is not intended for any other purpose.
3. **Adult Supervision:** This product should only be used by adults or under adult supervision.
4. **Not a Toy:** This is not a toy. Keep it away from children to avoid accidents.
5. **Water Resistance:** Only the non-electrical parts of the AK Diffuser are water-resistant. Do not expose the LED light, on/off switch, or any other electrical components to water. If using the diffuser in humid environments, we recommend not using any electrical components to avoid potential hazards.

Electrical Safety (For Models with LED Light)

1. **Use Approved Power Source Only:** Only use the specified power source and avoid overloading electrical circuits.
2. **Do Not Disassemble:** Do not attempt to disassemble or modify the LED or electrical components, as this could result in electric shock or injury.
3. **Avoid Contact with Water:** Even though non-electrical parts are water-resistant, the LED and other electrical components are not waterproof. Avoid using these components in humid or wet conditions.
4. **Switch Off When Not in Use:** Turn off the LED light when not in use to avoid overheating.

Handling & Operational Safety

1. **Secure Mounting:** Ensure the diffuser is securely mounted on the camera or flash before use.
2. **Avoid Overheating:** Avoid exposing the diffuser to direct sunlight or high temperatures, as this may damage the materials.
3. **Handle with Care:** Do not drop or apply excessive force to the diffuser to prevent breakage.
4. **Avoid Flammable Materials:** Keep the diffuser away from flammable materials, especially when using an external light source.

Maintenance & Care

1. **Keep Clean:** Clean only with a dry, soft cloth. Avoid using any harsh chemicals or solvents.
2. **Inspect Regularly:** Inspect the product before each use to ensure there are no signs of wear, damage, or loose parts.
3. **Storage:** Store the diffuser in a cool, dry place, away from direct sunlight or extreme temperatures.

Disposal Instructions
